

IMPACT

Impact is a high performing, mid-late hybrid that can be grown under a wide range of soil conditions and cultural practices. This hybrid has been bred to have genetic resistance to Orobanche race H and is backed up with the Clearfield® trait which makes it the best choice on weed-infested sites.

Key Features

- ☼

Mid-late maturity, linoleic type

Bred to have genetic resistance to race H of Orobanche
- ☼

Highly adaptive for different soil conditions

Resistant to multiple races of downy mildew

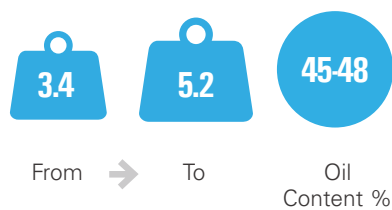

Performance Potential

Disease Resistance

Yield Potential t/ha & Oil Content

Agronomics & Plant Height

Hybrid Rating Scale 1 = Poor, 9 = Excellent
